**Cllr Anita MacDonald, your Labour Councillor Working Hard for Heathrow Villages**

## News From Your Labour Community Councillor

*Cllr Anita MacDonald*

### The Councillor That Gets Things Done

Councillor Anita MacDonald has represented Heathrow Villages since 2006 and during that time she has put every effort into making a real positive difference to the lives of local residents.

Anita is a Mother of two who understands the demands of bringing up a family and holding down a career, but still finds the time and energy to fight on behalf of the residents.

Cllr MacDonald believes in the personal touch and as such she operates a roving surgery, so that she can visit residents in their own homes and actually witness their concerns with her own eyes. This helps considerably when it comes to tackling council officers in order to get things done.

The residents have come to know Cllr MacDonald as THE Councillor that actually Gets Things Done. A true Community Councillor, working with and for the residents of Heathrow Villages.

### NO 3<sup>rd</sup> Runway !!!

Councillor Anita MacDonald is, and has always been, totally opposed to a 3<sup>rd</sup> Runway at Heathrow, and indeed Cllr MacDonald opposes any further expansion of Heathrow Airport.

Anita has worked with various groups including NoTrag, HACAN Clear Skies and local residents associations, to oppose any proposals for further airport expansion at Heathrow.

Cllr MacDonald has also been working very closely with John McDonnell MP on various initiatives, demonstrations and public meetings to fully represent the interests of the local residents against the corporate interests of BAA and BA.

There should be no doubt that locally your Labour Councillor, Labour MP and the whole of the Labour Group on Hillingdon Council, totally opposes the devastation of the Villages in order to make way for a 3<sup>rd</sup> Runway, or any other airport expansion.

### Residents Parking Scheme

Once again Cllr MacDonald has got something done for the local residents.

The residents parking scheme for Victoria Lane, Hudson Road & Sipson Lane looks close to finalisation. If all goes well we should see some yellow lines mid October.
